Dear Students,

Monday again! Today we are beginning the third week of Homeschooling. Only this week to go and you will be released of school!

Once more, I enclose at the end a fun activity for you to do at the end of your work.

Read and follow the instructions carefully.

1) MATH NOTEBOOK

Copy the following operations on your notebook and solve:

“Math Practice”

.750	.555	42.51	64.25
.222	.333	44.44	55.55
+ .125	+ .452	+ <u>25.21</u>	+ <u>44.35</u>

2) HISTORY BOOK “The World at War” & NOTEBOOK

Today you will watch a video of the World War One: “What Caused the First World War”

<https://www.youtube.com/watch?v=24i4ncHuf6A>

Now that you have a better idea of how WW1 initiated

- 1) You will read pages 4 and 5.
- 2) Underline the most relevant information.
- 3) Then, copy it on your notebook under the title “The World at War”

3) SPELLING BOOK “Lesson 23” & NOTEBOOK

- 1) Today you will read the Lesson 23 vocabulary on page 15.
- 2) If there are vocabulary words you are not familiar with, you can use technology to find their meaning on a dictionary.
- 3) Then, create a Pictionary in your notebook. Write the title “Pictionary 3”.
- 4) Write the vocabulary three times on your notebook Lesson 23. Write the title “Words 3x Lesson 23”

4) SCIENCE BOOK “Robot Definitions” & NOTEBOOK

- 1) Today you will work on page 4.
- 2) Read the vocabulary words and their explanation.
- 3) On your notebook you will create a Pictionary with these words and write the title “Robot Definitions Pictionary”.

SHADOW PUPPETS – PRINTABLE MATERIAL

Today we will activate a little bit. Your hands will be the stars of this activity. You will have to wait till the sunset to play this game. The wait will be worth it! Invite your family to play with you. Place your hands as indicated on the drawings and have fun creating animal shadows with them. Use some dim light. Have fun!!
